

Remarks

Applicants have amended the specification to include the continuity claimed under 35 USC 120 by supplying the relationship of continuation-in-part to copending United States patent application number 09/864,761 filed May 23, 2001. Applicants have also amended the filing date of United States provisional application number 60/335,941 from October 24, 2001, to the correct date of October 25, 2001.

Applicants believe they have now fully complied with the Response to Request for Corrected Filing Receipt having a mailing date of May 6, 2002, a copy of which is enclosed herewith. A revised Request for Corrected Filing Receipt is also enclosed herewith.

Should any outstanding issues remain, please feel free to contact the Applicants' representative at the telephone number provided.

Respectfully submitted,
